

CURRICULUM VITAE

James M. Glick, M.D.
2299 Post St. Suite 107
San Francisco, CA 94115
January 1, 2012

PROGRAM TITLES

Clinical Professor, Department of Orthopaedic Surgery, University of California Medical Center, San Francisco. Courtesy Staff San Francisco General Hospital. Courtesy Staff St. Francis Hospital, San Francisco, CA

IMPORTANT ACTIVITIES IN MEDICINE & SPORTS MEDICINE

1. Member of American Board of Orthopaedic Surgery Question Writing Task Force, 1991-1993.
2. Chief of Department of Orthopaedic Surgery, Mount Zion Hospital Campus, University of California, San Francisco, 1984-1992.
3. Team Physician San Francisco State University, 1969-1994.
4. Founder and Chairman, Sports Medicine and Physical Fitness Committee of the San Francisco Medical Society, 1970-1978.
5. Member, California Medical Association Committee on Physical Fitness and Sports Medicine, 1974-1977.
6. Founding Member, American Orthopaedic Society for Sports Medicine.
7. Founding Member and Fellow, American Academy of Sports Physicians.
8. Program Chairman of American Academy of Sports Physicians 1990-2003.
9. Medical Consultant, United States Tennis Association, 1974-1992.
10. Council of Delegates. American Orthopaedic Society of Sports Medicine. 1997-2000.
11. Reviewer for the American Journal of Sports Medicine.

HOSPITAL AFFILIATIONS

1. Courtesy Staff, Dept. of Orthopedics, St. Francis Memorial Hospital, San Francisco, CA.
2. Inactive Staff, University of California Medical Center, San Francisco.
3. Courtesy Staff, Dept. of Orthopedics. San Francisco General Hospital.

CURRENT TEACHING ASSIGNMENTS

1. UCSF orthopedic residents in the trauma clinic at SFGH.

TEACHING ASSIGNMENTS IN THE PAST

1. Orthopaedic Lectures, SS110 to Third year medical students.
2. Orthopaedic Physical Examination ICM Course to First year medical students.

MEDICAL BOARDS

American Board of Orthopaedic Surgery, January 12. 1967.

MEDICAL SOCIETIES & FELLOWSHIPS

1. Member, California Medical Association.
2. Member, San Francisco Medical Society.
3. Fellow, American Academy of Orthopaedic Surgeons.
4. Fellow, American College of Surgeons.
5. Member, Western Orthopaedic Association.
6. Member, LeRoy C. Abbott Orthopaedic Society.
7. Member, Arthroscopy Association of North America.
8. Member and Fellow, American Academy of Sports Physicians.
9. Member, Bay Area Knee Society.
10. Founding Member, American Orthopaedic Society of Sports Medicine.
11. Life Member of Who's Who, I.D. number 1400.
12. Fellow, American Academy of Sports Medicine

MEDICAL TRAINING

1. Marquette University Medical School (Medical College of Wisconsin), Milwaukee, Wisconsin, 1954-1958.
2. Internship, Jewish Hospital, St. Louis, Missouri, 1958-1959. 3. General Surgery Residency, Veterans Administration Hospital, St. Louis, Missouri, 1959-1960.
4. Orthopaedic Residency, University of Cincinnati, Cincinnati General Hospital, Cincinnati, Ohio, 1960-1963.

MILITARY

Captain, U.S. Army Medical Corps. Martin Army Hospital, Fort Benning, Georgia, 1963-1965.

PRIVATE PRACTICE

Private practice in San Francisco since July 1965.

Development of Hip Arthroscopy with surgical instruments known as

the Glick Hip Set and in 2006 changed to the Stryker Hip Kit - Stryker Endoscopy.

PAPERS PUBLISHED

1. "Musculoskeletal Injuries in Jogging," Archives of Physical Medicine and Rehabilitation, Vol. 51, 123-126, March 1970.
2. "A Study of Ligamentous Looseness in Football Players and Its Relation to Injury," Abbott Proceedings, Vol. 1, 34-39, May, 1971.

VIDEOTAPE PRODUCTIONS

1. Hip Arthroscopy by the Lateral Approach, American Academy of Orthopaedic Surgeons, 1986.
2. Hip Arthroscopy, American Academy of Orthopaedic Surgeons, January 1987.
3. Hip Arthroscopy, American Academy of Orthopaedic Surgery, 1993. Arthroscopy (video). Outstanding video-tape program. AAOS presented certificate of Merit.
4. Arthroscopic Surgery of the Meniscus, American Academy of Orthopaedic Surgeons, 1980.
5. Shoulder Arthroscopy, Arthroscopic Association of North America, 1984.
6. Ankle Arthrodesis, "The Video Supplement to Arthroscopy," Volume 3, Number 2, 1991.

7. Hip Arthroscopy, "The Video Supplement to Arthroscopy," Volume 3, Number 3, 1991.

PUBLICATIONS ASSOCIATED WITH

1. Attorney's Medical Deskbook, Tennenhouse, Dan J., M.D., J.D. Bancroft Witney Co., 1975.
2. Contributed to Helms C.A., Perspective in Radiology. Vol. 1, No. 1. Quality Medical Publishing, Inc., St. Louis, MO. 1988
3. Contributed to Millar, M.D., Osborne, M.O., Warner, J.P. and Fu, F.H., MRI - Arthroscopy Correlative Atlas., W.B. Saunders Co., Philadelphia, Penn. 1997.
4. Contributed to Stoller, D.W., MRI, Arthroscopy and Surgical Anatomy of the Joints, Lippincott - Raven, Philadelphia. Penn. 1998

RESEACH PROJECTS

"The Effects of Stress on the Mineralization of Bone," NASA, Moffitt Field, California. Completed in 1976.

"The Effects of Taping on the Unstable Ankle," Shriner's Hospital, San Francisco, California. Completed in 1976.

"The Potential Use of Laser in Arthroscopic Surgery," Kaptron-Glick, Inc. Palo Alto, California. Completed in 1976.

"High Strength Dacron Ligament Augmentation Graft Anterior

Cruciate Ligament Repair," Meadox Medicals Incorporated, Oakland, New Jersey. Completed in 1989.

"Kennedy Ligament Augmentation Device Investigation," 3M Orthopaedic Products Division, St. Paul, Minnesota. Completed in 1989.

"A Double Blind Placebo Controlled Study of Etofenamate Gel in the Treatment of Traumatic Contusions and Sprains," Rorer Pharmaceutical Clinical Research, Philadelphia, Pennsylvania. Completed in 1987.

"Distraction of the Hip and Ankle for Arthroscopy," Completed 1990.

"Laser Arthroscopy," funded by Heraeus Laser Sonics Incorporated.

"Effect of Nd:Yag Laser on Articular Cartilage," funded by Heraeus Laser Sonics Incorporated. Completed in 1993.

"Use of Electric Current in Arthroscopy." funded by Arthrocare.

"Effects of Electric Current on Articular Cartilage and Menisci," funded by Arthrocare. Completed 1996.

HONORS AND PRIZES

Second Prize for paper "Laser for Potential Use in Arthroscopic Surgery," presented to IV Congress of the International Arthroscopy Association; Rio de Janeiro, Brazil, August 28-30, 1981.

Merit Award for Instructional Video Tape "Hip Arthroscopy." Presented to the American Academy of Orthopaedic Surgeons Annual Meeting, San Francisco, January 1987.

Distinguished Physician of the Year Award, Mount Zion Hospital Campus, University of California, San Francisco, November 5, 1994.

Most Compassionate Teacher Award, UCSF Orthopaedic Residents - 1998 graduation class, May 8, 1998.

EDITORIAL ACTIVITIES

Member, Editorial Board, "Arthroscopy," The Journal of Arthroscopic and Related Surgery, Raven Press, 1986-1993.

Expert Analyst, "Advances in Orthopaedic Surgery," Data Trace Medical Publishers Inc., 1990-1995.

Associate Editor, Annals of Sports Medicine, 1986-1990.

Question Writing Task Force for the American Board of Orthopaedic Surgery, 1991-1993.

Reviewer, American Journal of Sports Medicine.

Reviewer, Arthroscopic Journal.

Reviewer for Clinical Orthopaedics and Related Research, April 1996.

Reviewer, Journal of the American Academy of Orthopaedic Surgeons, January 1998.

CHAIRMAN OF MEDICAL SEMINARS

1. Chairman of Annual Sports Medicine Conferences, San Francisco Medical Society, 1971-1979.
2. Co-Chairman of Northern California Chapter, American College of Surgeons, Orthopaedic Section Meeting. Symposium on Cervical Spine Injuries, May 20, 1972.
3. Chairman of Northern California Chapter, American College of Surgeons, Orthopaedic Section Meeting, Symposium on Treatment of Knee Injuries, May 19, 1973.
4. Chairman of Northern California Chapter, American college of Surgeons, Orthopaedic Section Meeting. Symposium on Ligamentous Injuries of the Ankle, May 11, 1974.
5. Chairman, American Academy of Orthopaedic Surgeon, Instructional Course on Arthroscopy, San Francisco, January 13-14, 1978.
6. Chairman, California Medical Association, Winter Post-Graduate Course on Sports Injuries, Lakeland Village, January 25-28, 1979.
7. Chairman, American Academy of Orthopaedic Surgeons, Instructional Course on Advanced Arthroscopy, San Francisco, June 3-7, 1980.
8. Chairman, American College of Surgeons Section Meeting on Arthroscopy, San Francisco, May 1982.
9. Co-Chairman, Third Annual Office Based Sports Medicine Course, University of California Extended Programs in Medicine, Park City, Utah, March 8-15, 1986.
10. Course Chairman, "Innovations in Ankle Arthroscopy", January 21, 1989, Mount Zion Hospital, San Francisco, California.
11. Chairman, Sports Medicine Conference for Trainers and Therapists AAOS. "ACL Reconstruction Using the Hamstring Tendons." San Francisco, California, August 10, 1991.
12. Chairman, Course on Arthroscopy for Nurses, Spoke on Rehabilitation Following Arthroscopic Surgery, Annual AAOS

Meeting, San Francisco, California, February 20, 1993.

13. Program Chairman, American Academy of Sports Physicians Annual Meetings from 1984 to the Present.
14. Program Chairman, American Academy of Sports Physicians Annual Meeting, Santa Fe, New Mexico,
15. July 27-29, 2001. Moderator Instructional Course Lecture on Hip Arthroscopy, Annual AAOS meetings from 2003-2006.
16. December 13, 2008: Chairman Residents' Hip Arthroscopy Course, UCSF/SFGH Orthopaedic Trauma Institute.

PRESENTATIONS

1. "Musculoskeletal Injuries in Jogging," presented at the American Academy of Orthopaedics Instructional Course on Sports Medicine in San Francisco, 1969, and at the Forty-sixth Annual Session of the American Congress of Rehabilitation Medicine in Chicago, 1969.
2. "Tennis Elbow," American Academy of Orthopaedic Surgery Sports. Medicine Course, San Francisco, 1971.
3. "Acromioclavicular Dislocation in Athletes," American Academy of Orthopaedic Surgery Sports Medicine Course, Eugene, Oregon, July 1972.
4. "Treatment of the Dislocated Shoulder in Athletes," American Academy of Orthopaedic Surgeons Sports Medicine Course, Eugene, Oregon, July 1972.
5. "Arthrography of the Knee and Arthroscopy of the Elbow and Wrist," presented as a course in Arthrography at the University of California Continuing Education, San Francisco, 1972.
6. "Cervical Spine Injuries in Skiing," Sports Medicine Committee Meeting for the University of California Continuing Education, San Francisco, Meeting in South Lake Tahoe, February 1973.
7. "Knee Injuries in Athletics," course in Trauma, University of California Continuing Education, San Francisco, Mary's Help Hospital, Daly City, May 1972.

8. "Initial Evaluation and Management of Athletic Injuries," course in Trauma, University of California Continuing Education, San Francisco, presented at Mary's Help Hospital, February 1973.
9. "Athletic Injuries of the Shoulder," Course for General Practitioners, University of California Continuing Education, Mt. Zion Hospital, San Francisco, California, February 1973.
10. "Athletic Injuries to the Cervical Spine," American College of Surgeons, Northern California Chapter, Annual Meeting, May 1973.
11. "Confusion in the Diagnosis of the Unstable Knee," American College of Surgeons, Northern California Chapter, Annual Meeting, San Francisco, California, May 1973.
12. "Evaluation and Management of the Athletic Injury," Post-Graduate Medical and Surgical Clinics, San Francisco Academy of General Practice, May 15, 1973.
13. "Ligamentous Looseness in Sports and Its Relations to Injury," 17th Annual Sports and Physical Fitness Clinic, Orange County Medical Association, June 2, 1973.
14. "Care of Athletic Injuries," AAU Sports Medicine Forum, National AAU Convention, San Francisco, California, November 1970.
15. "Injuries in Track and Field," AAU Sports Medicine Forum, National AAU Convention, Lake Placid, New York, October 1971.
16. "Drugs Used for Musculoskeletal Injuries in Athletics," AAU Sports Medicine Forum, National AAU Convention, Kansas City, Missouri, 1972.
17. "Recognition and Treatment of the Shoulder Injuries in Athletics," First Annual Conference on Sports Medicine, Sports Medicine Committee, San Francisco, June 19, 1971.
18. "The Relationship of Looseness and Tightness of Athletic Injuries," Second Annual Conference on Sports Medicine, Sports Medicine Committee, San Francisco, California, June 10, 1972.

19. "Elbow Injuries and Rehabilitation," Sports Medicine Workshop, California State University, Sacramento, California, July 29, 1973.
20. "The Female Knee in Athletics," Third Annual Conference on Sports Medicine, Sports Medicine Committee, San Francisco, California, June 9, 1983.
21. "Little League Elbow," T.V. Special Presentation by the Department of Education and Photography, University of California, San Francisco, May 31, 1973.
22. "Muscle Pulls, Treatment and Prevention," Post-Graduate Course on General Sports Medicine, American Academy of Orthopaedic Surgeons, New York, September 17, 1973. Also presented to a dinner meeting of the Northern California Branch of the California Society of Physical Medicine and Rehabilitation, Fort Mason, San Francisco, November 20, 1973.
23. "The Use of Drugs for Musculo-Skeletal Injuries," AMA Clinical Conference, Sports Medicine Conference, Anaheim, California, December 1, 1973. 15th National Conference on the Medical Aspects of Sports.
24. "Shoulder Pain," 24th Annual Course for Physicians in Family Practice, Mt. Zion Hospital, San Francisco, February 6, 1974.
25. "Back and Lower Extremities," and "Neck and Upper Extremities," Lectures on Orthopaedic conditions to first and second year medical students, University of California, San Francisco, November 16, 1973 and March 5, 1974.
26. "The Relationship of Talar Tilt to Ankle Injuries," American College of Surgeons, Orthopaedic Section Meeting, San Francisco, California, May 11, 1974.
27. "Arthrography of the Knee," Instructional Course Lecture, American Academy of Orthopaedic Surgeons Annual Meetings, Las Vegas, Nevada, February 1, 1973, and Dallas Texas, January 21, 1974.
28. Co-Author with Max Sheck, "Palliative Treatment of Aseptic Necrosis of the Adolescent Femoral Head," LeRoy C. Abbott

- Orthopaedic Society Scientific Program, University of California, April 26, 1974.
29. "Drugs the Team Physician Uses," Fourth Annual Sports Medicine Conference, San Francisco Medical Society, Sports Medicine Committee, June 8, 1974.
 30. "Muscle Pulls," Northern California Chapter National Trainers Association, San Jose, July 20, 1974.
 31. "Mechanism of Injuries to the Upper Extremities in Tennis" and "Mechanism of Injuries of the Acromioclavicular and Sternoclavicular Joints," Postgraduate Courses of the American Academy of Orthopaedic Surgeons, Eugene, Oregon, July 22-24, 1974.
 32. "Injuries in Tennis," San Mateo Medical Society, San Mateo, California, September 13, 1974.
 33. "Whiplash," Extended Programs in Medical Education, University of California, San Francisco, School of Medicine, Oakland Hospital, December 10, 1974.
 34. "Arthrography of the Knee," Instructional Course Lecture for American Academy of Orthopaedic Surgeons, San Francisco, March 4, 1975.
 35. "Sports Medicine for the Layman--Enjoyment with Pain," Second Annual Sports Medicine Conference, West Valley College, Saratoga, April 5, 1975.
 36. "Sports Medicine for the Layman--Enjoyment with Pain," University of California at Berkeley, Extension Course, April 12, 1975.
 37. "The Injured Athlete--Criteria for Participation," Northern California Chapter, National Trainers Association, Emeryville, California, July 12-13, 1975.
 38. "The Susceptibility of Ankles to Injury and the Effects of Strapping as a Preventative Measure," American Orthopaedic Society for Sports Medicine, Annual Meeting, New Orleans, Louisiana, July 28-30, 1975.

39. "The Natural Course of an Acromio-Clavicular Separation," American Orthopaedic Society for Sports Medicine Annual Meeting, New Orleans, Louisiana, July 20-30, 1975.
40. Moderator of Conservative Approach to the Management of Acromio-Clavicular Dislocations, American Orthopaedic Society for Sports Medicine, Annual Meeting, New Orleans, Louisiana, July 28-30, 1975.
41. "Injuries of the Upper Extremities in Tennis," Fifth Annual International Sports Symposium, University of Montreal, October 29-31, 1975.
42. "Care and Prevention of Ankle Injuries," Fifth Annual International Sports Symposium, University of Montreal, October 29-31, 1975.
43. Instructor, "Arthroscopy & Arthrography of the Knee," Instructional Course, American Academy of Orthopaedic Surgeons, New Orleans, December 10-11, 1976.
44. Instructor, "Arthroscopy & Arthrography of the Knee," Instructional Course, American Academy of Orthopaedic Surgeons, Colorado Springs, September 2-3, 1977.
45. Visiting Professor, St. Justine Hospital, Montreal, May 4-9, 1977.
46. Visiting Professor, Laval University, Quebec City, May 4-9, 1977.
47. "Arthrography and Arthroscopy of the Knee," The Association of Orthopaedic Surgeons of Quebec, Symposium on the Knee, Quebec City, May 4-9, 1977.
48. "Lateral Reconstruction of the Knee," The Association of Orthopaedic Surgeons of Quebec, Symposium on the Knee, Quebec City, May 4-9, 1977.
49. "The Do's and Don'ts About the Knee," The Association of Orthopaedic Surgeons of Quebec, Symposium on the Knee, Quebec City, May 4-9, 1977.
50. "Spinal Injuries in Athletes: Prevention and Emergency Care,"

12th Annual AMA Convention, San Francisco, June 20, 1977.

51. "Ankle Injuries," 7th Annual Conference on Sports Medicine, San Francisco Medical Society Sports Medicine Committee, May 26, 1977.
52. "Arthrography of the Knee," Mini Workshop: Arthroscopy and Arthrography, Third Annual Summer Institute, American Academy of Orthopaedic Surgeons, Denver, Colorado, July 15, 1977.
53. "Anatomy of the Lower Extremities," Sports Workshop, Cal Poly San Luis Obispo, California, August 1, 1977.
54. "Knee Injuries in Non-Contact Sports," NATA District 8 Convention, Squaw Valley, California, August 7, 1977.
55. "Orthopaedic Problems," Workshop, Medicine for Lawyers, San Francisco, August 11, 1977.
56. "Patellar Fractures," A Postgraduate Course on the Knee in Sports, American Academy of Orthopaedic Surgeons, San Francisco, August 22, 1977.
57. "The Relationship of Arthroscopy to Arthrography," First Meeting of the American Chapter of the International Arthroscopy Association, Denver, Colorado, August 31, 1977.
58. "Tennis Injuries," 50th Anniversary Convention, United States Lawn Tennis Professional Association, Las Vegas, Nevada, September 18, 1977.
59. Review of a paper by G. Crawford and A. Narakas, "The Radial Nerve and Tennis Elbow," 41st Annual Meeting, Western Orthopaedic Association, Colorado Springs, October 1, 1977.
60. "Ankle Strapping: Does It Really Help?" First Annual Bay Area Conference, Sports Medicine Institute, San Francisco, November 11, 1977.
61. "Tennis Elbow and Throwing Injuries," Southwest Regional Athletic Training Conference, Reno, Nevada, November 19, 1977.
62. "Arthrography," American Academy of Orthopaedic Surgeons

Instructional Course on Arthrography and Arthroscopy
(also Co-Chairman of the meeting), San Francisco, January
13-15, 1978.

63. "Back Care," Young President's Organization, San Francisco, February 7, 1978.
64. "Arthrography and Arthroscopy of the Knee, Fourth Summer Institute, American Academy of Orthopaedic Surgeons, Boston, July 13-15, 1978.

 2. "Laser Symposium: Basic Science and Therapeutic Applications"
 3. "Hamstring ACL Reconstruction"
241. Instructional Course on Ankle Arthroscopy, Arthroscopic Association of North America Annual Meeting, San Diego, California, April 25, 1991.
1. "Arthroscopic Treatment of Loose Bodies, Osteophytes, and Chondral Lesions in the Ankle."
 2. "Arthroscopic Ankle Arthrodesis."
242. "The Application of CO2 Laser in Arthroscopy of the Knee," American Society of Laser Medicine and Surgery Annual

- Meeting, San Diego, California, May 1, 1991.
243. "Arthroscopic Ankle Arthrodesis," LeRoy C. Abbott Society Program, UCSF, San Francisco, California, May 10, 1991.
 244. "Arthroscopic Ankle Arthrodesis," Award Winning Paper for the Arthroscopic Association of North America given at the Combined Congress of the International Arthroscopic Association and International Society of the Knee, Toronto, Canada, May 15, 1991.
 245. "Use of the CO2 Laser in Arthroscopy: Instruction in Laser Use on Cadavers," Arthroscopy Laser Surgery Workshop, New York Medical College, White Plains, New York, July 13, 1991.
 246. "Common Orthopaedic Problems and Sports Injuries," Family Practice Board Review Course, University of California, San Francisco School of Medicine, July 11, 1991.
 247. "Orthopaedic Surgery," Family Practice Review Course, July 11, 1991.
 248. "Arthroscopic Laser Surgery," Medical College of New York, White Plains, New York, July 13, 1991.
 249. "Endoscopic ACL Reconstruction," ACL Conference, Acufex Company, Palo Alto, California, August 17, 1991.
 250. "Advances '91 Arthroscopic Surgery and Orthopaedic Sports Medicine," Ottobrunn/Munich, Germany, September 27-28, 1991. Moderator: Session on Shoulder Arthroscopy and Session on Ankle and Hip Arthroscopy.
 1. "Precision Acromioplasty of the Shoulder."
 2. "Hip Arthroscopy."
 3. "Ankle Arthroscopy Set-Up and Technique."
 4. "Arthroscopic Ankle Arthrodesis."
 5. "Workshop--Ankle Arthroscopy."
 251. Lecture on Sports Medicine, UCSF students, October 10, 1991.
 252. "Laser Tissue Affect Nd:YAG Laser," Instructor, Hands-on Workshop on Laser, Northside Hospital, Atlanta, Georgia, October 26, 1991.

253. "Hip Arthroscopy, Arthroscopic Ankle Arthrodesis, Arthroscopic Laser Surgery," Orthopaedic Grand Rounds, Northwestern University Medical School of Chicago, November 1, 1991.
254. "Laser Tissue Effect Nd:YAG Laser," Instructor, Hands-on Workshop on Laser, Good Samaritan Hospital, November 8, 1991.
255. Lecture on Sports Medicine, Injury, Prevention Course, San Francisco State University, November 12, 1991.
256. "Laser Tissue Effect Nd:YAG Laser," Instructor, Hands-on Workshop on Laser Arthroscopy, Hospital, El Paso, Texas, November 20, 1991.
257. "Hip Arthroscopy, Arthroscopic Ankle Arthrodesis," Performed a Live Hip Arthroscopy Case of the Hip, Orthopaedic Grand Rounds, Yale University Medical Center, New Haven, Connecticut, November 23, 1991.
258. "CO2 Laser Arthroscopy," Instructor, Hands-on Workshop in Laser Arthroscopy, Saddleback Memorial Medical Center, Orange County, California, December 7, 1991.
259. The Miami Sports Medicine Seminar, March 19-21, 1992.
1. "Arthroscopic Acromioplasty"
 2. "Classification of Rotator Cuff Tears"
 3. "Calcific Tendonitis--Shoulder"
 4. "Anatomy and Biomechanics of the Elbow in Throwing Sports"
260. Laser Workshop, San Francisco SurgiCenter, April 11, 1992.
261. Ankle Arthroscopy Instructional Course, Arthroscopic Association of North America Annual Meeting, Boston, Massachusetts, April 23-26, 1992.
262. Laser Effect on Tissue, Serino SurgiCenter, San Jose, California, June 20, 1992.
263. "Common Orthopaedic Problems and Sports Injuries," Family Practice Board Review Course, University of California, San Francisco, July 11, 1991.

264. "Ankle Arthrodesis," American Orthopaedic Foot and Ankle Society, Napa, California, July 16, 1992.
265. "Laser in Medicine," Kurland-Jobe Sports Medicine Clinic, Los Angeles, California, August 2, 1992.
266. "Arthroscopic Ankle Arthrodesis," National Medical Association, Orthopaedic Section, San Francisco, California, August 4, 1992.
267. American college of Foot and Ankle Surgeons, Chicago, Illinois, October 15-16, 1992.
1. Ankle Injuries
 2. Ankle Arthroscopy
 3. Arthroscopic Ankle Arthrodesis
 4. Surgical Cadaver Demonstrations on Ankle Arthrodesis
268. "Hip Arthroscopy," Orthopaedic Rounds, Harvard University Medical School, October 30, 1992.
269. Hip Arthroscopy Seminar, Cambridge, England, November 30-December 1, 1993.
1. Hip Arthroscopy by the Lateral Approach
 2. Arthroscopic Treatment of Labral Tears
 3. Results of Arthroscopic Treatment of Hip Arthritis
270. "Shoulder and Elbow Injuries in Athletes," Lecture to Exercise Physiology Class at San Francisco State University, December 8, 1992.
271. Metcalf Memorial Arthroscopic Meeting, Snowbird, Utah, January 16-24, 1993
1. Hip Arthroscopy
 2. Surgical Cadaver Demonstration on Arthroscopy.
272. Chairman of Course on Arthroscopy for Nurses. Annual AAOS Meeting. San Francisco, California. February 20, 1993. Rehabilitation following arthroscopic surgery.
273. "Subtalar Arthroscopy," Specialty Day at Annual AAOS Meeting, San Francisco, California, February 21, 1993.
274. "Sports Medicine--How to Avoid Knee Injuries," San Francisco,

California, April 23, 1993.

275. American College of Foot and Ankle Surgeons, May 7-8, 1993
 1. Arthroscopic Ankle Arthrodesis
 2. Lab Instructions--Ankle Arthroscopy.
276. Visiting Professor, Hughston Sports Medicine Clinic, Columbus Georgia, May 10, 1993.
 1. Performed Hip Arthroscopy
 2. Lecture on Hip Arthroscopy
277. Orthopaedics and Sports Medicine, Family Practice Review Course, July 8, 1993.
278. "Evaluation and Treatment of Meniscal Injuries Including Meniscal Repair." Second Annual Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine, San Francisco, California, September 10, 1993.
279. "Ankle Arthroscopy," San Francisco SurgiCenter Physicians and Personnel, November 10, 1993.
280. "Effect of Nd:Yag Laser on Articular Cartilage Regeneration," The Society of Photo Optical Instrumentation Engineers. Laser Surgery: Advanced, Characterization, Therapeutic and System Program number IV, Los Angeles, California. Paper delivered by Robert Baylis, M.D. January 1994.
281. "Effect of Nd:Yag Laser on Articular Cartilage Regeneration", Poster Presentation, Orthopaedic Research Society Meeting, New Orleans, Louisiana, February 21-24, 1994.
282. "Special Procedures in Ankle Arthroscopy." "Laboratory Instruction on Ankle Arthroscopy". The Mid Western Podiatry Conference, Chicago, Illinois, April 15-16, 1994.
283. "New Techniques in Arthroscopy," Sports Medicine Symposium, Memorial Hospital, Modesto, California, May 14, 1994.
284. "Effect of Contact Nd:Yag Laser on Articular Cartilage Regeneration," presented with Dr. Robert Baylis. Arthroscopic Association of North America Annual Meeting, Orlando, Florida, April 30, 1994.
285. "Results of Hip Arthroscopy by the Lateral Approach."

- Arthroscopic Association of North America Annual Meeting, Orlando, Florida, April 30, 1994.
286. "Ankle Arthroscopy, Portals and Normal Anatomy". "Ankle Arthroscopy, Treatment of Loose Bodies, Osteophytes and Chondral Injuries," Symposium on Ankle Arthroscopy Orthopaedic Society for Sports Medicine Annual Meeting, Palm Springs, California, June 27, 1994.
287. "Orthopaedics and Sports Medicine," Family Practice Review Course, San Francisco, California, July 7, 1994.
288. "Meniscal Repair", "Hip Arthroscopy", Beijing University Hospital, Number 3 Beijing China, August 3, 1994.
289. "Meniscal Repair", "Hip Arthroscopy", Taiwan Orthopaedic Society Annual Meeting, Taipei, Taiwan, August 10-13, 1994.
290. "Anterior Cruciate Ligament Reconstruction," Third Annual Current Issues of Magnetic Resonating Imaging in Orthopaedics and Sports Medicine, San Francisco, California, September 23, 1994.
291. Ankle Arthroscopy Laboratory Instruction, Arthroscopic Association of North America Annual Fall Course, December 1, 1994.
292. "Stress Injuries to the Musculoskeletal System". Mount Zion Hospital Annual Alumni Meeting, San Francisco, November 4, 1994.
293. Review of three papers on Hip Arthroscopy, presented at the Annual AAOS meeting, Orlando, Florida, February 17, 1995.
294. Coauthor of paper, "Arthroscopic Ankle Arthrodesis - review of 74 cases". Annual AAOS meeting, Orlando, Florida, February 17, 1995.
295. "Arthroscopic Ankle Arthrodesis", American College of Foot and Ankle Surgeons Annual Meeting, San Francisco, March 1, 1995.
296. Moderator, Session on Hip Arthroscopy. Arthroscopic Association of North America Annual Meeting, San Francisco,

May 5, 1995.

297. Orthopaedics and Sports Medicine, Family Practice Board Review, San Francisco, July 13, 1995.
298. "The Role of Hip Arthroscopy in Sports Medicine", American Academy of Sports Physicians Annual Meeting, San Francisco, July 29, 1995.
299. Live Cadaver Hip Arthroscopy and Hip Dissection, Forth Annual Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine, San Francisco, September 7, 1995.
300. Anterior Cruciate Ligament Reconstruction, Forth Annual Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Meeting, September 8, 1995.
301. The Role of Arthroscopy in the Stiff Hip - Presented to the National Congress of the Italian Orthopaedic and Trauma Society, Rome, Italy, November 14, 1995.
302. Hip Arthroscopy, Indications, Set-Up and Techniques - Arthroscopic Surgery, Whistler, British Columbia, Canada, March 7, 1996.
303. Ankle Anatomy and Portals - Arthroscopic Surgery, Whistler, British Columbia, Canada, March 7, 1996.
304. Ankle Arthrodesis - Arthroscopic Surgery, Whistler, British Columbia, Canada, March 7-9, 1996.
 1. Hip Arthroscopy
 2. Arthroscopic Ankle Anatomy
 3. Arthroscopic Ankle Arthrodesis
305. Midwestern Podiatry Conference, April 20-21, 1996.
 1. Special Procedures in Arthroscopic Surgery
 2. Instructional labs on Arthroscopic Surgery
306. Dominican Hospital, Santa Cruz. Sports Medicine, May 5, 1996.
307. Lecture to Primary Care Physicians at Kaiser Hospital, San Francisco. Sports Medicine, May 31, 1996.
308. Brown Bag Lecture, UCSF. Safe Sports, June 26, 1996.

309. Family Practice Board Review Course, San Francisco, Orthopaedic Surgery, July 11, 1996.
310. Ft. Hood Army Hospital, Fort Hood, Texas. Hip Arthroscopy, Performance of two hip cases. August 15, 1996.
311. 5th Annual Current Issues of MRI in Orthopaedics and Sports Medicine, San Francisco. Hip dissection and Arthroscopy.
312. San Jose Medical Center. Sports Medicine, September 12, 1996.
313. Fresno, California. Sports Medicine for the Primary Care Physicians at three different hospitals. San Joaquin Valley Medical Center, Veterans Administration Hospital, Kaiser Hospital, September 25, 1996.
314. On The Field Assessment of the Injured Ankle. Office Based Orthopaedics for the Primary Care Physician, San Francisco, October 18, 1996.
315. The Sprained Ankle. Office Based Orthopaedics for the Primary Care Physician, San Francisco, October 18, 1996.
316. Instructor Ankle Arthroscopy Laboratory. AANA Fall Course, Palm Springs, CA, November 22, 1996.
317. Hip Arthroscopy for Labral Tears. Arthroscopic Association of North America 16th Annual Meeting, San Diego, California, April 26, 1997.
318. 1. The Role of Arthroscopy in the Snapping Hip.
2. Hip Arthroscopy for Labral Tears.
Verne T. Inman Lectureship, UCSF, May 1, 1997.
319. Common Orthopaedic Problems and Sports Injuries - Family Practice Board Review Course, UCSF, July 10, 1997.
320. The Role of Arthroscopy in Athletic Hip Injuries, Cal Sports Medicine Program - Managing Lower Extremity Injuries in Competitive Athletes, U.C. Berkeley, August 2, 1997.
321. Hip Arthroscopy and Dissection - 6th Annual Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports

- Medicine, San Francisco, September 4, 1997.
322. Course on Arthroscopy of the Hip - "The Masters Experience" - Orthopaedic Learning Center, Rosemont, Illinois, September 19-21, 1997.
 323. Arthroscopic Surgery, International Symposium Meeting Whistler, B.C., February 27, 1998.
 1. Hip Arthroscopy
 2. Portal Anatomy of the Ankle
 3. Ankle Arthrodesis
 324. Moderator and discussor of five papers on Hip Arthroscopy, Annual AANA Meeting, Orlando, FL, May 3, 1998.
 325. Co-Author - Hip Arthroscopy for Degenerative Joint Disease, Annual AANA Meeting, Orlando, FL, May 3, 1998.
 326. Principal Author - Arthroscopic Assisted Tumor Removal in the Hip, May 8, 1998.
 327. Hip Arthroscopy, Annual COA Meeting, Squaw Valley, CA, May 15, 1998.
 328. Common Orthopaedic Problems and Sports Medicine, Family Practice Board Review Course, University of California San Francisco School of Medicine, San Francisco, California, July 9, 1998.
 329. Hip Dissection and Arthroscopy, September 10, 1998. Instructor, Knee Surgical Dissection Laboratory, September 11, 1998. Current Issues of MRI in Orthopaedic and Sports Medicine, San Francisco.
 330. Instructional Course Lecture AAOS Annual Meeting, Anaheim, CA, February 4, 1999.
 1. Role of Arthroscopy in Labral and Chondral Lesions.
 2. Surgical demonstration of Hip Arthroscopy by the Lateral Approach.
 331. Arthroscopic Ankle Arthrodesis, Instructional Course on Advanced Ankle and Subtalar Arthroscopy, AANA Annual Meeting, April 16, 1999.

332. Common Orthopaedic Problems and Sports Injuries, Family Practice Board Review Course, University of California San Francisco School of Medicine, San Francisco, California, July 8, 1999.
333. Western Orthopaedic Association Annual Meeting, San Diego, CA, July 31, 1999. Hip Arthroscopy for the Degenerative Hip.
334. Faculty for Masters Experience in Hip Arthroscopy, August 20 to August 22, 1999.
335. Hip Arthroscopy Cadaver Surgical demonstration, San Francisco, CA, September 1, 1999. Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine.
336. Hip Arthroscopy by the Lateral Approach, Stryker Orthopaedic Conference, Queenstown, New Zealand, September 8, 1999.
337. Arthroscopic Assisted Release of the Iliopsoas Tendon, Stryker Orthopaedic Conference, Queenstown, New Zealand, September 8, 1999.
338. Ankle Arthroscopy, Indications and Technique, Stryker Orthopaedic Conference, Queenstown, New Zealand, September 8, 1999.
339. Hip Arthroscopy, Instructional Course Lectures, Annual AAOS Meeting, Orlando, Florida, March 15, 2000.
340. Hip Arthroscopy: Surgical Technique-Course Chairman Includes Presentation and Lab Instructor-California Orthopaedic Association Annual Meeting, April 13, 2000.
341. Family Practice Board Review Course, UCSF, In San Francisco-Common Orthopedic Problems and Sports Medicine, July 13, 2000.
342. The Masters Course on Hip Arthroscopy, Put on by The American Academy of Orthopaedic Surgery and The Arthroscopic Association of North America at their Learning Center in Rosemont, IL. Presenter, Demonstrator and instructor, August 18, 2000-August 20, 2000.

343. Cadaver Demonstration of Hip Arthroscopy at the 9th Annual Current Issue of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine, A National Symposium, Held in San Francisco, August 24, 2000.
344. Instructional Course: Hip Arthroscopy Performed by the Lateral Approach, AAOS, 68th Annual Meeting, San Francisco, California, March 2, 2001.
345. Instructional Course: Hip Arthroscopy Performed in the Lateral Position, AANA 20th Annual Meeting, Seattle, Washington, April 24, 2001.
346. Family Practice Board Review, "Orthopedics and Sports Medicine", San Francisco, July 12, 2001.
347. Course titled: Joint and Bone Preserving Surgery of the Hip. Quebec City, Quebec, Canada. July 20-21, 2001.
 1. Overview of Hip Arthroscopy
 2. Technique of Hip Arthroscopy
348. 8/27/01, Current Issue of MRI in Orthopaedics and Sports Medicine: Demonstration of hip arthroscopy and cadaver dissection of the hip. San Francisco, CA.
349. 9/21/01. The 27th Annual Meeting of the Japan Arthroscopy Association. Hip Arthroscopy: Indications and technique. Sapporo, Japan. Presented over the phone using a CD rom. Trip canceled because of terrorist attack on World Trade Center on 9/11/01.
351. 2/14 to 2/18/02 Thu - Sun
AAOS Dallas 2/18/02. Instructional Course Lecture on the Technique of Hip Arthroscopy
352. 4/27/02. Arthroscopic Assoc of North America: Annual meeting, Washington DC, Instructional Course. Technique: Hip arthroscopy by the lateral approach.
353. 1/27/02: Instructional course on hip arthroscopy. Arthroscopic Assoc. of North America, Annual Meeting in Washington DC

354. 5/17 to 5/19/02: Masters Course on Hip Arthroscopy. Orthopaedic Learning Center. Chicago, Ill
355. 6/14/02 Hip arthroscopy in Daejong, Korea. Performed a live procedure and lectured.
366. 8/26/02: Hip dissection and arthroscopy. Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine. San Francisco, CA.
367. 11/20/02: 1. Arthroscopic assisted ankle fusion. 2. Hip arthroscopy. THE 28TH CHILEAN CONFERENCE OF ORTHOPAEDICS AND TRAUMATOLOGY. NOV. 20th TO THE 23rd 2002, La Serena, Chile.
368. 1/22/03 Arthroscopy and labral tears: Can we treat the painful hip by only addressing the acetabular labrum? AO-ASIF Bern Hip Symposium. Mammoth Lakes, CA. 1/22/03-1/24/03.
369. 2/7/03 Moderator of Instructional Course Lecture # 322. Hip Arthroscopy. Lecture subject: Hip arthroscopy by the lateral approach. AAOS 70th annual meeting. New Orleans, LA. Feb 5-9, 2003.
370. 3/14/03: Hip Arthroscopy: The Lateral Approach. ISAKOS Congress (International Soc Arthroscopy, Knee & Orthopedic Sports Med.). Auckland, New Zealand.
371. 3/28/03 thru 3/30/03 Masters Course on Hip Arthroscopy. Orthopaedic Learning Center, Rosemont, IL. Talks included: Hip arthroscopy by the lateral approach, technique. Technique of arthroscopic assisted iliopsoas tendon release for the snapping hip. The role of arthroscopy in the impingement syndrome of the hip.
372. 6/20/03: Hip Arthroscopy: When and How. 2nd symposium on Joint and Bone Preserving Surgery of the Hip. Montreal, Canada. June 19-22, 2003.
373. 7/10/03: Orthopaedics and Sports Medicine. Family Practice Board Review Course. Univ of Calif San Francisco. July 7-10, 2003.
374. 7/25/03: Hip Impingement: A New Condition T. G. Sampson

- Presenter. 2003 Annual Meeting of the American Academy of Sports Physicians. Colorado Springs, CO.
375. 2/13-2/15/04 Fri-Sun Masters Hip Course in Rosemont AAOS Learning Center
376. 3/11/04 Moderator and lecturer Instructional Course—Hip Arthroscopy. AAOS Annual Meeting in San Francisco, CA.
377. 6/18 - 6/19/04. International Course on Hip Arthroscopy. Cambridge England. 1. Hip Arthroscopy by the Lateral Approach. 2. Arthroscopy for Femoral Acetabular Impingement.
378. 7/8/04. Family Practice Board Review Course. UCSF. San Francisco. Orthopedics and Sports Medicine.
379. 7/30-8/1/04 Masters Course on Hip Arthroscopy. Orthopaedic Learning Center, Rosemont, IL. Talks included: Hip arthroscopy by the lateral approach, Technique. Atraumatic Lesion of the Hip.
380. 2/23/05: Moderator of Instructional Course on Hip Arthroscopy. Lectured on Hip Arthroscopy by the Lateral Approach. Annual AAOS meeting in Washington D.C.
381. 4/23/05 Surgical treatment of Cam Type Hip Impingement: Traditional Open Versus New Proposed Arthroscopic Technique. Paper presented at the Annual Mid-America Orthopaedic Association Meeting in Amelia Island, Florida.
382. 5/13/05 Evolution of Hip Arthroscopy. Presented as part of an Instructional Course on Hip Arthroscopy. Annual meeting of the Arthroscopic Assoc. of North America. Vancouver, Canada.
383. 8/19/05-8/21/05 Masters Course on Hip Arthroscopy. Orthopaedic Learning Center, Rosemont, IL. Demonstration of the technique of hip arthroscopy and of the release of the iliopsoas tendon. Talks included: 1. The Evolution and Future of Hip Arthroscopy. 2. Hip Arthroscopy by the Lateral Approach. 3. Interesting Hip Arthroscopy Cases.
384. 9/16/05-9/17/05 The SF Hip Arthroscopy and Hip Preservation

- Surgery Meeting. 1. Technique of the Lat approach-
 Hip arthroscopy. 2. Arthroscopic surgery for bullets and
 other foreign bodies. 3. Results of partial labrectomy. 4.
 Hip arthroscopy, Rehab.
385. 3/26/06: Annual AAOS Meeting in Chicago. Moderator of
 Instructional Course Lectures on Hip Arthroscopy. Lectured
 on Hip Arthroscopy by the Lateral Approach.
386. 5/19/06 25th Annual Arthroscopy Assoc of North America
 Meeting in Hollywood FL. Instructional Course (The
 Management of Intra-articular Hip Disorders) Presentation.
 "Hip Arthroscopy: Essentials, Positioning, Portals and
 Common Pathology". Assisted in a hip arthroscopy case that
 was presented to the staff and residents by live video.
387. 5/30/06 "Evolution and Future of Hip Arthroscopy". Lecture
 to Orthopedic Residents and Staff at the Catholic Hospital,
 Santiago, Chile.
388. 6/14/06 Lectured to the Physical Therapists of the Cirque
 du Soleil in Las Vegas NV on Hip Arthroscopy.
389. 7/7/06-7/9/06 Arthroscopic Assoc of North America. Masters
 Hip Arthroscopy Course. 1. Indications and Outcomes of
 Hip Arthroscopy. 2. Hip Arthroscopy by the Lateral
 Approach.
390. 9/22/06 The 2nd Ann San Francisco Hip Arthroscopy and Hip
 Preservation Surgery Meeting. San Francisco, CA.
 a. Results of Partial Labrectomies
 b. Bullets and Other Foreign Bodies
 c. Technique: The lateral Approach to the Hip
391. 10/16/06 Lectured on the Evolution and Future of Hip
 Arthroscopy to the staff members of the Steadman Hawkins
 Clinic, Vail Colorado.
392. 10/19/07 The Development of Hip Arthroscopy. Hip
 Arthroscopy Course. Put on by Smith & Nephew in SF.
393. 12/13/08: Chairman Residents' Hip Arthroscopy Course,
 UCSF/SFGH Orthopaedic Trauma Institute.

394. 3/28/09: City Wide Quarterly Grand Rounds at UCSF. Hip Arthroscopy. Evolution and Technique and Results.
395. 10/09/09: International Society for hip arthroscopy. Hospital of Special Surgery. NYC: "The history of hip arthroscopy: A personal view".
396. 10/14/11: International Society of Hip Arthroscopy. Meeting in Paris, France. Risk of Sciatic Nerve Traction Injury During Hip Arthroscopy.
- 397: 10/17–10/18/11: The 1st Hip Arthroscopy and Rehabilitation Course. Israel Sports Medicine Society. Tel Aviv, Israel.
1. Fundamentals of Traction
 2. Master Lecture: History of Hip Arthroscopy. From the Beginning.
 3. Patient Assessment-The Surgeon: History and Physical Exam of the Hip.
- 398: 2/10/12: AAOS Annual Meeting. San Francisco, CA. Traction Injury Risk in Hip Arthroscopy-Duration or Amount? An Intraoperative Nerve Monitoring Study. Glick, JM, Telleria, J., Safran, M., Gardi, J., Harris, AHS. Presented by Jessica Telleria.
- 399: 3/15/12: Development of Hip Arthroscopy. Presented at Stryker Course on Principles of Hip Arthroscopy. Scottsdale AZ.
